REPLACEMENT RESPONSE AND AMENDMENTS

Dear Sir:

In complete response to the Office Action mailed 27 October 2003, by which it was noted that the previous Response and Amendments, and Petition for Extension of Time, did not include a "clean" copy of amended claim 2 and new claim 16, this response is filed to correct those errors according to the new version of 37 C.F.R. § 1.121. The inconvenience is earnestly regretted.

The amendments to the specification and claims are shown starting on separate pages, after which the remarks are provided.

It was noted in reviewing the prior response that there was a typographical error in the amendment to claim 5: "Y" was inadvertently replaced by "&"; such is correct in this Replacement Response.
